Superintendent Joy Blackwood

"Be the change you want to see in the world." Mahatma Gandhi

As you enter this next chapter of your life always remember what lies within each of you. You have the power to make the world a better place. You take forth all of our hopes and dreams for a life filled with wonder and success. You have received a top notch education, important experiences in the classroom, on the athletic fields, on the stage, and in a vocation. You have the potential to shine and to truly make a difference.

Maintain our belief in your abilities within you. Know that you take with you fond memories and friendships to last a lifetime. Aim high and don't be afraid of an occasional misstep. Each opportunity is a chance to learn and grow stronger. Remain optimistic and strong and know the future is within your control and grasp. Continue to challenge yourself, be kind, and make the choices that help your dreams come true.

Remember to "be kinder than necessary as everyone is fighting some kind of battle." JM Barry  
Joy Blackwood

Dear Class of 2017-

Congratulations on your graduation. As you look back on your years at Silver Lake, remember the moments that helped define who you have become. You have your future ahead of you...an open door with endless possibilities. Best of luck on all your future endeavors. Always remember that you are #SLStrong!

-Mrs. Pruitt

Asst. Superintendent Chrissy Pruitt

Principal James Mulcahy

Congratulations to the class of 2017! As you graduate from high school it is a time to look back at the memories you have created and look forward to new challenges and a new beginning. You have left your mark on Silver Lake Regional High School and our community. You are a class that is full of school spirit! This was evidenced by the expansive homecoming activities, including the tailgating competition and superfan groups, which made us all proud with the continuous support you showed each other. Your diligence and determination in the classroom certainly paid off. The results can be seen in all that you've accomplished from high scores on MCAS, AP and SATs, to countless accolades for your student council representatives, athletic teams, performances in the arts, community volunteers and awards earned in the CTE programs. Your achievements over the last four years, however, are just the beginning of the all the great things you will set out to do in your lifetime. Be kind to each other, stay safe and enjoy the journey! I wish you success, and happiness in all of your future endeavors.

Sincerely,  
Mr. Mulcahy

Congratulations to the class of 2017! I have enjoyed watching you grow throughout your four years. It is probably hard to imagine that you will now be alumni instead of a students of Silver Lake. I hope you take a few moments to reflect upon your time as a Laker, as well as to appreciate how much you have accomplished. Now, your journey truly begins. I wish you the best of luck now and always.

Steven Blette

Vice Principal Steven Blette

Vice Principal Michaela Gill

Dear Class of 2017,

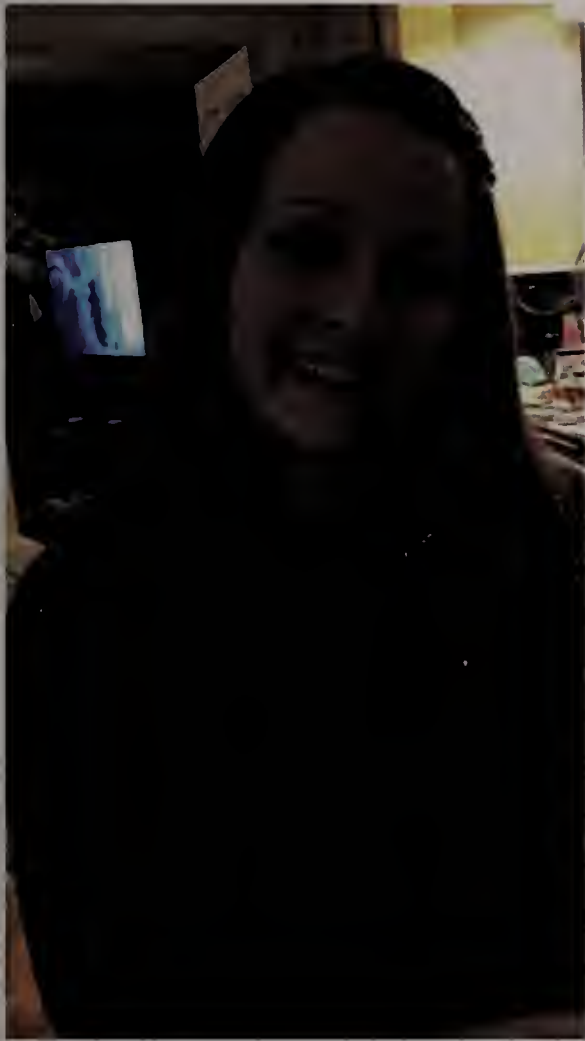

Four years ago you arrived as eager and energetic freshmen, ready to make this place your own. You immediately made it known to the staff and community that your class was different from others, that you were here to leave an impression. You were respectful and responsible, hardworking and motivated, creative and athletic, full of school spirit and camaraderie, but most of all, you were kind. Amelia Earhart once said, "No kind action ever stops with itself. One kind action leads to another. Good example is followed. A single act of kindness throws out roots in all directions, and the roots spring up and make new trees. The greatest work that kindness does to others is that it makes them kind themselves." I challenge each of you to continue to make an impression on our community, our state, our country and this world. I encourage you to always stay kind to one another, even in the darkest moments or the most difficult times. Be kind for one day you too will seek kindness from someone. But most of all, be kind because it is the right thing to do.

I am so proud of each and every one of you and I am excited to celebrate your accomplishments with you this June. Stay in touch, stay strong and stay kind!

With love,  
Mrs. Gill

**The Class of 2017 is proud to  
dedicate our yearbook to  
Mrs. Fontaine.**

When thinking back on the past four years, there is not a teacher more responsible for the growth of the Class of 2017 as a whole than Mrs. Fontaine. Her constant support and dedication to our class has been the driving factor behind our success. From her role as class advisor, being there day in and day out, ensuring that everything we did went exactly how we dreamed it would; to yearbook advisor, making sure every memory we made was captured forever. As more than just a teacher to many, we could not be more grateful to have had her by our side these past four years. We can not thank her enough for being a role model, embodying the values our class holds, and inspiring us to strive to be our best each and every day.

With admiration,  
Class of 2017

# A Message from the Class President

To the Class of 2017,

Attending Silver Lake Regional High School over the past four years with all of you has been quite an honor. I can still remember the first day of classes as a freshman - going to a new school and trying to fit in amongst so many new faces. I'm so thankful for all of the wonderful people I have met and the friendships I have made that I know will outlive our time here. We began this journey together and we will complete it together as well - from navigating hallways and schedules to choosing colleges and plans for the future. We have studied together, competed together, planned and succeeded together. And in June, we will graduate together and start the next step in our journey, made strong from the academic foundation given to us by our teachers, and the support we received from each other.

I feel very privileged to be a part of this class - as we put our own stamp on the history of Silver Lake Regional High School. I wish all of the best to my fellow classmates as we face a future that looms bright and extraordinary.

Congratulations to the Class of 2017!

Your senior class president,  
Lindsay Kalinowski

# A Message From the Editors

As your yearbook editors, we wanted to truly take you back through our journey as a class while sharing our memories through the era we were raised in; the age of technology. In a way, the Class of 2017 has now finally gotten their Chromebooks. It has been our pleasure to put our memories onto display and to watch all of our growth unfold over the years. We hope that you enjoy this yearbook and that everyone feels as though it has encompassed a glimpse into their lives throughout our 12 year scholastic journey together. We wish you all good luck in whatever direction you may choose to go. Thank you for letting us piece together your memories and congratulations Class of 2017!

Seventeen Years

I'd like the memory of me  
to be a happy one,  
I'd like to leave an afterglow  
of smiles when life is done.

I'd like to leave an echo  
whispering softly down the ways,  
of happy times and laughing times  
and bright and sunny days.

I'd like the tears of those who  
grieve, to dry before the sun  
of happy memories that I leave  
when life is done.
